*An ideal opportunity
for your son*

Broughton Choristers enjoy...

Touring with the Choir...

Anually, at Easter, boys spend a week together in a three star, seafront hotel in the **Isle of Man**, improving their skills as Choristers, singing in some of the lovely Manx Churches and enjoying a well deserved holiday with

team-building activities built in.

The **Summer Tour in France** is always popular with boys *and adults alike*. Some good singing and some splendid afternoons on the beaches! A chance to visit the coastal areas of Brittany and Normandy.

The choir is regularly called upon to deputise when Cathedral Choirs are on tour, and Broughton boys are frequently invited by the Royal School of Church Music to sing services in the major Cathedrals in the UK.

Recent invitations have seen our Choristers singing in Canterbury Cathedral, King's College Cambridge, Durham Cathedral and York Minster.

Durham ... Leeds ...

Liverpool ... Ripon ...

St Pauls ...

York Minster ...

Football, Cricket, Sports events and an Award Evening

It isn't all work in Broughton Choir!
There's even a Summer trip to Llandudno for boys too young to tour!

Performing good music to consistently high standards

Choristers receive instruction in voice production, sight reading and the theory of music. Their repertoire includes music from the sixteenth century to the present day.

Broughton Choristers enjoy...

Broughton Church

- **Is proud** of its 150 year tradition of excellence in choral singing.
- **Is committed** to maintain, in its Choir, high standards of teamwork and discipline, and with them a strong sense of fun and personal achievement.
