

A day trip to Llandudno for Junior Choristers and Team Leaders - 2008

Wish you were here...

Glorious weather ... in Wales!

Lots of fun for Junior Choristers

An enjoyable day out for our Junior Choristers and their Team Leaders. ...

As usual, the weather stayed fine for our annual visit to Llandudno. There were plenty of crabs waiting to be caught - all of which were safely returned to their rock pools.

The boys made a wonderful sandcastle before enjoying a climb up the Great Orme and a visit to Saint Tudno's church, the original parish church of Llandudno.
