

About our choristers

Clear diction, projection, and fluent reading form a very important part of the general training our choristers receive. Our boys certainly put this training to good use when they read at the Sunday

Eucharist, **guided by their reading coach Mr Alex Taylor.**

Confirmation day is an important one for our Choristers, and this year three of our boys were confirmed by the Bishop of Blackburn at a special Service held in the Parish Church.

Winchester Cathedral

With three boys being selected by the RSCM Once again Broughton is well represented on the week-long **National Cathedral Course** taking place during the last week of August at Winchester.
